

The Spring Fundraiser Committees are counting down the days until March 24th, when the parents of SVMS will have fun and raise funds for the SVMS Home School Association at “Monte Carlo Night.”

We ask each family (or group of families) to make a contribution to “Monte Carlo Night.” It is these generous donations that make our fundraiser such a huge success year-after- year!

If you could please submit your donation commitment before Monday, February 26th, it would be very helpful to the committees working behind the scenes.

Please go to the Spring Fundraiser Donation Wish List at:

Thank you for your continued generosity!
