PORTRAITURE

Dear Parents and Guardians of SVMS,

2019/20 School Picture proofs are back! You should find them in your child's backpack in the next few days. I'm sure many of you have been told by your children that school pictures were a little different this year. I have to say the children (and us!) had a blast changing things up.

You'll see your proof sheet now has three photos to look at. When you go online, you will see even more choices. We kept the traditional style of school portraiture, and then added some fun ones to let your child's personality shine. We also made the backdrop a simple grey to update the look (it is not a green screen).

You'll also notice that there is no envelope attached to the proof for cash or checks. If you feel more comfortable paying this way, please just circle the package you would like and write the the jpg # (under the photo you wish to buy) on the paper and return to the school in an envelope by **November 20th**.

When you get your proof sheet, look for the url and passcode to better see and purchase your photographs. You may 'add on' any item of any photograph once you have purchased a package. If you would like digital images of more then two photographs, please contact the studio. We can offer the digital purchase of the entire gallery at a discounted price of \$100. This offer is only for the entire gallery, no individual photographs will be sold this way.

***If you have more then one child attending school, you can look at both galleries when you first sign in by adding another password. See Below example:

Make up day is Tuesday, **November, 12th**, between 3:30-4:30. If your child was absent on picture day, you can arrange a time on this day to take their photographs at the studio. If you would like a retake for any reason, please keep in mind the original photographs will not be available, and because of time and space constraints, we will only be able to offer three choices. Please call the studio to arrange a time.

Finally, the due date for all orders is **November 20th**. Any order after this date is subject to a \$10 late fee. The fee is through the lab, not us. The lab has to process late order separate from the bulk. It costs extra for being late. All orders will be delivered to the school at once.

Any questions, contact the studio 973-377-5750.

Thank You!
Adrienne and Anna
