October 2018

Dear School Parent,

I hope this note finds that you and your family enjoyed a wonderful September and are settled into the new school year. My office is working on an initiative to better understand how well the Diocese of Paterson is meeting the educational needs of today's pre-school and elementary school students. An important component of this work is, of course, our families. Receiving feedback from our current school community is vitally important to ensuring the Catholic education your child receives is exemplary, both now and in the future.

In order to obtain your feedback in the most efficient manner, please click the following link https://survey.qualtrics.com/jfe/form/SV_899HUDgtDX73Agd **to share your thoughts about your child(ren)'s current school, and about Catholic education in general**. The survey should take no more than 10 minutes to complete and your responses are anonymous and will be kept completely confidential. We would appreciate receiving your responses by no later than October 31st, 2018.

If you have any questions regarding this survey, please contact Pat Terranella from the Catholic Schools Office at pterranella@patersondiocese.org – 973-777-8818 Ex. 251 and she will be happy to lend support. Also, if you have any difficulty accessing the survey or answering any of the questions, please contact MayHill Strategies, the firm that is administering the survey on our behalf. A MayHill representative can be reached at jen@mayhillstrategies.com – 978-828-6296.

Once the survey is complete, your principal will receive an aggregate summary of the results to share. As indicated, your responses remain confidential.

Thank you, in advance, for your participation in this endeavor as we continue our mission of developing communities that are Christ-centered, academically excellent and welcoming.

Sincerely,

Mary D. Baier, MPA
Superintendent of Schools
