

## TRAVEL ADVISORY

New Jersey strongly discourages all non-essential interstate travel at this time.

Travelers and residents returning from **any U.S. state or territory** beyond the immediate region (New York, Connecticut, Pennsylvania, and Delaware) should self-quarantine at their home, hotel, or other temporary lodging for 14 days.

As of November 25, New Jersey will no longer utilize previously outlined metrics to inform its travel advisory.

Under the 14-day quarantine travel advisory, individuals traveling to or returning to New Jersey from states with increasing rates of COVID-19 are advised to self-quarantine for 14 days. This includes travel by train, bus, car, plane and any other method of transportation.
