

# TAG DAY SUPPORTING PENN STATE THON

Friday, January 24th

THON is Penn State's 46 hour Dance Marathon that occurs every year in February to raise funds and awareness in the battle against Pediatric Cancer. THON aims to provide both emotional and financial support for families supported by Four Diamonds at Penn State Children's Hospital while their child battles cancer. Families that are supported by the Four Diamonds Fund never see bill for their child's treatment. Above all, THON strives to ensure that the families remain at the heart of every volunteer's efforts and that everything is done For The Kids.

Any Donation is Appreciated of a \$1+
