Can I join the MJSAO?

Yes! The MJSAO is always looking for new faces and people eager to maintain middle school sports at MJS. We need new volunteers to help make the program the best that it can be. As a parent of an incoming 5th grader, you have the opportunity to help influence the direction of the program for several years. We are always looking for new fundraising ideas, as well as, donations from families, businesses and organizations.

Even if do not wish to be a part of the board, we need your help! Please voice your opinion to the Madison Board Of Education the importance of middle school sports. They once supported and funded our program! For more information, please contact our Athletic Director, Matt Rossi: admadisonjuniorschool@gmail.com

More Information:

The MJSAO provides uniforms/jerseys for every sport, equipment if needed, coaches who are all certified teachers, financial assistance, school announcements and recognitions, and a great opportunity for your child to be involved in the school community after school.

MJSAO has three scheduled practices or games a week. It varies from week-to-week depending on when the games are scheduled. We use frequent email communication as well as an application called Sports Illustrated Play which can be downloaded to your smart device to get push notifications.
