Dear Parents.

My prayer for you this Christmas is that you will all experience the love of the Baby Jesus like never before. Let the light that shines on Him and in Him be your gift as you rein in from a year of unprecedented experiences. I thank you for your continued support of SVMS. I am so happy and proud that we have made it this far. You have helped our little lights shine since September and we hope to continue to shine them for the remainder of the school year.

Rest up and enjoy good family time and take good care of each other. Do what you need to do to stay safe and healthy. Thank you for sharing your children with us and encouraging them and protecting them. We benefit from their lights every day.

Kudos to Danielle Glacken and Caitlin Villa for wrapping up the Christmas Shop for the children who are remote. They went above and beyond and I am grateful. Don't forget to join in the festive cheer at drop off and pick up by decorating your car with holiday cheer and playing 106.7 light FM!

We will be back in action on January 4<sup>th</sup>. Please read the Pandemic Response Team Update for guidelines about returning. May 2021 bring us nothing but good news and may we be able to gather as a full school community in the near future.

Blessings,

Sr. Noreen
