

MOUNT SAINT MARY ACADEMY

Inventor Camp

IMAGINATIONS SOAR TO NEW HEIGHTS THIS SUMMER!

In Partnership with Venture Labs, Mount Saint Mary Academy is excited to offer a week-long *Inventor Camp* for girls entering grades 6-8. *Inventor Camp* attendees will develop, prototype and pitch original inventions! Using innovative design thinking strategies, camp participants will develop, test, and refine their ideas. Come and be part of an exciting week that fosters creativity and innovation, while developing entrepreneurial skills for the future!

- Use the Mount Saint Mary Innovation Lab; 3D printers, 3D scanners, Laser cutter, Vinyl cutter and Robotic Equipment!
- Pitch your idea to a panel of experts in an end of the week Shark Tank activity!
- Optional before and after camp care is available for an additional fee.
- Inventor Camp activities can be used to earn Girl Scout Cadette badges

Session 1: June 24-28 OR Session 2: July 15-19

Time: 9:00 am - 3:00 pm

Cost: \$400.00 per week

Campers provide own lunch ● Limit 20 girls per session

Before Care: 7:30am-8:45am \$100.00 per week (optional)

After Care: 3:00-5:30 \$250.00 per week (optional)

Register by May 1, 2019
