While Covid-19 prevents us from all being together in the school gym for Breakfast with Santa this year, we are offering SVMS families a drive through Christmas experience. Families will have the opportunity to **take a family car photo with the Madison Santa, drop off your Letter to Santa and visit stations to receive a variety of Christmas goodies to continue to celebrate at home.** Each child will receive a treat bag to fill with **two Christmas crafts, our famous Reindeer Food, a candy cane, stickers, activity pages, ideas to make a festive breakfast at home and a DIY hot chocolate package.** Each family will also receive a **take-home donut decorating kit with six donuts and all the fixings from Madison Bagel.** Please note **that we are only able to provide donuts for 125 families, so register early to secure your spot.** All participants must wear face masks and please bring butterfly nets (if you have them!) Cost per vehicle \$30.00

Please complete registration at <https://forms.gle/YmEwvtCk8P5edFkz9> and send in a check to the school office by **Monday, November 30th, 2020.** We will email all families to sign up for a drive through time slot the week of November 30th. \*In the event we are unable to offer the event due to increasing Covid-19 numbers in our area, we will hold all checks until the event date is upon us. If we are able to go forward with the event, but must further limit interaction, we will make arrangements for families to pick up their event goodies. If we must cancel the event due to the public health crisis, we will return checks.
