Mission:

The SVMS Extended Care Program provides students with a safe and nurturing environment, to help meet the needs of parents whose children require supervision beyond the regular school day.

Schedule:

- **Morning Care** is available Monday through Friday in the gym before the school day begins from 7:00 am - 8:00 am. At 8:00am students will report to their classrooms
- **Extended-Care** is available to students when school is in full-day session, Monday through Friday from 2:45pm - 5:50pm. Care is also available on regularly scheduled half days until 4.00 pm. Extended Care is not available when there are half days to begin a long weekend or before a vacation.
- **Part Time Care** - is available to meet the childcare needs of parents who do not need 5 days of Extended Care for their children. Rates will be prorated.
- **Drop-In Care** is an hourly service offered for occasional care and students attending Extended- Care once a week. Payment is due at pick-up.

Pick-up Procedures for the release of a child:

- We anticipate running Extended Care in either the Media Center/Library or in the Community Room. We are able to remotely unlock the Ministry exterior door by the playground around the back of the school. Please ring the Media Center/Library or Community Room bell on the panel next to the door and identify yourself and the child/children you are picking up.

- Only parents/guardians listed on the registration application are permitted to pick up your child. If another person will be picking up your child, please submit a Release Permission Form to the Main Office. The person will be asked to provide a photo ID to the supervisor in charge.
- If a child remains past 6:00pm, the staff members will attempt to contact the parent/guardian phone number listed on this registration application. The emergency contact will then be notified. There will be an additional charge of \$15 for each 15 minute period beyond 6:00pm. 6:01 PM is considered **LATE**. Please understand that this is a very busy facility with numerous groups using school space for their activities.
- Your child **must** be signed out each day. They are not permitted to leave school grounds alone or sign themselves out.
- You may not sign a child out for an appointment and sign them back in again later.
- Students who were out during the school day due to illness may not join in after care that day.

Tuition:

A registration fee in the amount of \$30 for all families is due at sign-up. Tuition is **prepaid** and due on or by the 5th of the month for regular participants. Tuition for the Extended Care Program is payable in 9 equal installments and is non-refundable.

We understand that there are months where there is not a consistent 5 days per week, but for consistency we have developed a monthly tuition fee that has been averaged out over the ten months of school. The program is run on 4 week cycles excluding school vacations which may not coincide with calendar months.

The SVMS After Care program is completely self - funded. The people who have the responsibility of taking care of your child/children are paid only through the funds that come in from the program, so paying in a timely manner is important. Please help us keep our quality care program the best it can be.

Early Dismissals due to Weather or Other Emergencies:

There will be **NO** Extended Care if there is any kind of emergency related to school. You are responsible to pick up your child/children at dismissal. The Alert System on all emergency closings will notify you. Please keep your emergency contact information up to date.

Early Dismissals:

There will be Extended Care available on regularly scheduled early dismissal days until 4PM. Days before major holidays and the last day of school are exceptions to this. We suggest that you pack a lunch for your child/children on days when there is Extended

Care on half days. We may also watch a family film rated G or PG depending upon the ages of students attending that day.

Student Absence:

Our costs remain constant throughout the school year. In the interest of providing a quality care program, we cannot reduce your tuition payment if your family takes a vacation or if you choose to keep your child home for any reason.

Snacks and Food:

We must ask that you provide a healthy after school snack for your child - no gum, no soda. Due to the growing number of food allergies in our student population and the potential health risks that certain foods pose to children with allergies, we require that everyone choose "no-nut" snacks.

Supplies

It is important that your child have materials available to them for use during Extended Care. Supplies include crayons/colored pencils/markers, coloring books, blank paper, and small jigsaws or board games. These will be marked with your child's name.

Administration of Medication:

Program staff may not administer medications. If your child requires medication during those hours, please arrange for their administration at home in the morning, or by the school nurse near the end of the school day. In emergency medical situations, such as seizure disorders, the program staff may call qualified emergency personnel to attend to your child.

Schedule:

A typical Extended Care schedule:

2:45pm - 3:00pm Students will gather in either the **Gym, Community Room or Library or an alternative space** for attendance and eat a brought-from-home snack. **PLEASE; no nuts!**

3:00pm - 3:30pm Students are encouraged to work on homework

3:30pm - 4:15pm Students will participate in outdoor recreation. If inclement weather prohibits us from going outside, we will have an organized activity inside.

4:15pm - 6:00pm Remaining students will break into either K-3 or 4-8 groupings to work on homework or quiet activities until pick-up.

Code of Conduct:

We encourage appropriate behavior by all of our students throughout the day, whether during school or in our Extended Care Program. We have instituted a "Hands-Off"

policy. Please help us reinforce this by reminding your child to respect the personal space and property of others. Hands Off means no: hitting, tackling, tickling, punching, leaning on, etc. Please remind students to allow everyone their own space without interference. In the event that unacceptable behavior occurs, program staff will contact parents. If the offending behavior continues, the student may be removed from the program. Our Code of Conduct, is outlined in the Student Handbook, and must be followed at all times.

When a child is picked up late:

A late fee of \$15 for every 15 minutes a child is left after 6:00pm, will be added to client bills. Continuous lateness will be grounds for removal from the program.
